

Part 5 Inspection of certificates

You are entitled to inspect the certificates (if any) given by doctors under regulation 16(1)(c)(i) of the Cremation (England and Wales) Regulations 2008 (forms Cremation 4 and Cremation 5). If you do not wish to inspect any such certificates yourself you may nominate another person to inspect them instead of you.

Such certificates will only be available for inspection at the offices of the cremation authority for **48 hours** from the time that the cremation authority notifies you, or the person you have nominated, that the certificates are available to be inspected. You may take someone with you when you attend to inspect the certificates. If you, or the person nominated by you, do not attend to inspect the certificates at the time agreed with the cremation authority, the cremation may then proceed.

Please state if you would like to inspect the certificates given by the doctors or whether you would like to nominate someone else to do so instead and give a contact telephone number.

If certificates are given by medical practitioners:

I would like to inspect the certificates and my contact telephone number is

I nominate to inspect the certificates and their contact telephone number is

Part 6 Applicant's instructions for ashes

Local practices regarding ashes vary and your funeral director or cremation authority will be able to advise you about these.

Please then tick the relevant box to confirm whether you have chosen Option 1, 2 or 3 below for the ashes following this cremation, and provide further details in the relevant free text box.

If you choose Option 1 or 2 you may alter your choice, confirmed in writing with your signature, before the cremation authority has made arrangements to implement your chosen option, so please advise your funeral director or the crematorium as soon as possible if you change your mind.

Option 1: Ashes to be scattered / interred / otherwise dealt with by the crematorium

Please give further details of your wishes here, from the options offered by the crematorium, for instance where the ashes should be scattered / placed and when; and whether you wish this to be witnessed.

Part 6 continued

Option 2: Ashes to be collected from the crematorium

Please give further details of your wishes here, such as who will collect the ashes (for instance you and / or another family member, the funeral director, or another specified person); and by which date, if known. The person collecting the ashes should bring a form of identification.

Option 3: Ashes to be held awaiting your decision

Please give further details of your wishes here, for instance where and for how long the ashes should be held awaiting your decision.

When you have later made a decision, please confirm this, in writing with your signature, to your funeral director or crematorium.

Part 7 Recovery of ashes

Despite every effort being made to recover ashes following a cremation, on very rare occasions (particularly with a cremation of stillborn children) there may be no recoverable ashes. If you have any questions about this, please ask your funeral director or crematorium.

Please tick the box below to confirm that you understand this and that you wish to proceed with the cremation.

Part 8 Statement of truth

I apply for the body of the person who has died to be cremated and I certify that I am at least 16 years of age.

I believe that the facts given in this application are true. I am aware that it is an offence to wilfully make a false statement with a view to obtaining the cremation of any human remains.

Holding Over of Cremations

We will normally strive to carry out all cremations on the same day as the funeral service, but in some rare circumstances, we may be unable to do so. Should this happen, we will carry out the cremation as soon as possible afterwards, and we will, in any event, always fulfil our legal obligation to cremate within 72 hours of receipt of the coffin.

However, it would be helpful to us if you would please indicate at this stage, whether you consent to our holding over the cremation, should the need arise:

I consent to the holding over of the cremation I do not consent to the holding over of the cremation

If you have not given consent, and circumstances are such that we cannot carry out the cremation owing to mechanical failure, we will inform you (normally via your Funeral Director) and either seek your consent to hold over, or to make arrangements for the cremation to take place at an alternative crematorium.
